DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on March 29th, 2010 has been entered.

Response to Amendment

2. In response to the November 2nd, 2009 Office action, claims 14 and 29 were amended, claim 19 was canceled and claim 33 was newly added.

Prior Art Made of Record

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

- ❖ Yamamoto et al. teaches a location reporting method and related mobile communication terminal. The prior art does not teach or fairly suggest the combination of elements as currently recited by the claims.

Allowable Subject Matter

Reasons for Allowance

4. Claims 14-18 and 20-33 are allowed.
5. The following is an examiner's statement of reasons for allowance:

The Examiner has considered the Applicant's comments, see pages 6-9 of the *Remarks* and is persuaded. The Examiner maintains that the newly added features are at least sufficient to distinguish over the prior arts of record and thus places the application in condition for allowance.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
